

Professional and Educational Development

We support and encourage personal and professional development of our employees. The more they know only improves us in the market place.

Insurance Courses & Designations

Berkley Surety supports involvement in the courses sponsored by the American Institute for Chartered Property and Casualty Underwriters and pays 100% of associated costs for their programs. Berkley Surety will also pay 100% of the cost of courses or seminars related to an employee's current or future position within the organization or related to the surety industry.

College Courses and Degrees

Eligible employees working on traditional degree programs, including associates, bachelors, masters and doctoral degrees directly related to the employee's job or future potential position, are eligible for 100% tuition reimbursement to a maximum of \$10,000.00 per calendar year.
