

Berkley Surety Difference

Berkley Surety is a highly professional, service-oriented surety underwriting management company, providing a full spectrum of contract and commercial surety bonds through multiple distribution channels in both the United States and Canada. We pride ourselves on building strong relationships with our brokers. We highly value the insight and expertise our partners bring to the table which helps us provide timely and predictable surety solutions. We value an entrepreneurial approach and strive to balance risk management considerations with a traditional underwriting process.

Our highly experienced team offers unmatched underwriting expertise, effective solutions and one of the best product arrays for contract and commercial surety risks.

In Canada, Berkley Surety is committed to being a stable and long term partner for our brokers and clients. Our underwriting is disciplined and our results profitable.

Lines of Business

In addition to traditional **Construction Contract Surety**, Berkley Surety also underwrites the following:

Environmental Contract Surety: Berkley Surety has a specialized underwriting expertise in handling a client's environmental surety risks. We also work in association with a member company that underwrites Pollution Liability Insurance for certain types of accounts.

Commercial Surety: Berkley Surety focuses on account driven commercial business, as well as non-construction performance bonds.

Capacity

Up to \$50 Million Single Limit / \$150 Million Aggregate Program with the ability of higher limits for financially qualified accounts.
